Dear Sir/Madam,

RE: RECOMMENDATION FOR INTERNSHIP/INDUSTRIAL TRAINING

This is to introduceof **Reg. No.....** who is currently in his second year of Bachelor of Science in Software Engineering at the Faculty of Computing and Informatics of Mbarara University of Science and Technology. He is interested in undertaking 8 weeks of Industrial training within your company from 2nd June 2025 to 31st July 2025.

The university attaches great importance to such training programs. During his two years at the University, He has gained knowledge in many courses including; programming, software development, databases, GIS, cloud computing, web-technologies and communication skills among others.

The purpose of this letter therefore is to kindly request you to provide him with the opportunity to gain more practical expertise mostly in dealing with practical undertakings in your ICT department in the specified period of time. This will enable him to have high level hands on experience that your distinguished company offers. Your positive response is highly appreciated.

Yours Faithfully,

Dr.ir. Fred Kaggwa (PhD)
Industrial Training/Internship Coordinator
Faculty of Computing and Informatics
